What is PASAP?

OUR MISSION

The Pennsylvania Association of Student Assistance Professionals (PASAP) is a non-profit membership organization whose mission is to address the well-being of our youth.

We believe that the health of our youth is the basis of our future.

We recognize that there are life issues and detrimental influences that may pose a barrier to student achievement and success such as: grief or loss; peer, family, or mental health issues; tobacco, alcohol or other drug use; etc.

As a result of this recognition and our commitment to the health and well being of our youth, PASAP is committed to supporting and networking in the areas of prevention, intervention, treatment, aftercare, ongoing support services, and education to all those individuals or organizations who foster this same commitment.
